NOTES:		ELECTRONICS																			
<p>I used throttle profile 1 on the Speedo and no drag brake. Car was glued to the track. I am going to run 5 or 6 hole 1.3mm hole pistons to get more pack for the big jumps but otherwise, car was extremely good and very precise.</p>		ESC: RX-8 Battery: BMI Racing 6500mAh 60C Servo(s): Hitec 7954SH Radio: M11 Airtronics Motor: Tekin 1900KV
